

Remarks

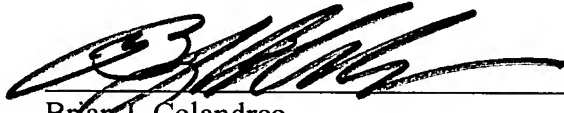

Original claims 1-12 have been amended. New claim 13 has been added. This preliminary amendment is submitted to e.g., eliminate multiple dependencies and to correct translation-based and regional issues. The specification has been amended to add priority information, an abstract, and appropriate headings. No new matter has been added.

No additional costs are believed to be due in connection with the filing of this Preliminary Amendment. However, should any fees be due, please charge our Deposit Account No. 50-2121.

If the Examiner believes there are any outstanding issues to be resolved with respect to the above-identified application, they are invited to telephone the undersigned at their earliest convenience so that such issues may be resolved telephonically.

Respectfully submitted,
